Dear Alderdice,-

Referring to your letter of 10th inst: there was a further grant of \$100. made under certain circumstances, but I think if you will allow me to suggest it might not be advisable for you to apply for it. On the other hand if you desire to do so it will be necessary to put it in an official form to me as Paymaster to be dealt with in due form.

With regard to Travelling Allowance or gratuities on the "Missen-able," I did not receive any application from Wighton thereon although I have some recollection of him mentioning the matter, but you will understand that such claims must be put forward in an official form for proper vouching purposes.

Yours sincerely,

Kindly be good enough to let the Governor have the information he has asked for in the enclosed telegram as we do not know what steps you have already taken.

Captain Finewell is unfortunately badly indisposed with a chill. On reference to him I am asked to inform Major Whitaker that he (Capt. Finewell) has so little knowledge of the circumstances in connection with Lt Alderdice's case that he cannot reply to the Governor's cable.

Captain Finewell expects to return to the office tomorrow. In the meantime can you throw any light upon the date of Lt Alderdice's resignation?
