Medical Report on an Invalid

NOTES:-

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.
- (c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- (d) Be as brief as possible compatible with lucidity.
- (e) Avoid dubiety-"perhaps" "possibly" "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

refering to two remittances which Here sent to me During the months of February & March 1918. which have not get her received I have another letter Dated Sept 17th which refers to two other remt ances which were sent During the my outs & layour of line wed up to now. I have write before and told you short I have respect those two amounts. These are the lost which were sent, so it seems that the money sent for February & March has gone ostray I complained to the Quittouties here after the first money had been some time on its way, and the rosult was I got those remittances which were sent for many & June nothing about the first two. Pk John Iquies has been separated from Me for some months now so I cannot say whether he has received any more than myself or not. I think he had received one months money up to the lime we were reparated My Parielo of Food had been reaching they well up till a short time ago, at present they are not so well. I do not think there is any reason why I should complain as I (and I think my commades will agree with me have been treated very well as a Prisoner of war and it is only in my power to thank those who have provided for us so well. To: N.W.C.A. Just a few lines to say I have received the third issue of clothing. Boots, Greatcoat etc. for which I am greatly obliged. I had a card from you some time ago saying that you would send me cap badge and numerals with the clothing but they were not enclosed inany of the clothing parcels so I cam e to the conclusion that you had forgotten them, Hope to receive them soon if nontoo much trouble. My parcels of food. are reaching me regular enough but tobacco and cigarettes are not reaching me as well as they should. As you are aware, we, has prisoners are only allowed to write a limited number of Hetters and cards per month so that we have to reply to three or four different letters all in one. I have had a letter from the Paymaster this week saying the monthly remittances which I wrote about have been stopped. I am not certain how much was sent me any way up to now I have received two amounts of 10/each. I do not know what months these were sent, therefore I am not sure whether I should expect another remittance or not. Another chap of ours No.367 Pte. John Squires, who has been with me all through, has also received one remittance and he expects the others soon. We both thank the Paymaster through you for having sent it to us and stopped it again as soon as we asked you. The money helped to get certain things which were necessary. I have nothing more to say just now. There are four of ours here now. No 337 Pte. John Squires, No. 1441 Pte F Freake and No.1413 Pte.A. Warren who was captured in Dec. 1917 and myself. Dear Miss Knox.

Just a line to say I am a prisoner. I have written to several places since I came here about parcels and have not received any answer up to now so I am not sure if I have written to the right people or not. There is one of our sailors here in the Hospital and he gave me your address and told me to write to you so I trust I will hear shortly from you address all parcels and letters exactly the same as address on top of other side. Hameln (48) May 30th 1918

To Hon. Sec. H.F. Reeve.

Dear Sir,

Just a line to say I have received your P.C. dated 27.3.18. But I have not yet received missing parcel, it is very nearly a year now since it was sent, so it seems as if it is lost. I have not yet received any of the money which is being sent me monthly from the Assoc. since Dec. 25th 17. I have sent an enquiry in to the authorities here but have had no reply up to date. When I got the card from Lieut. Marshall saying the money was being sent I sent a card back to have it stopped which I hope has been received before now as I am not in need of it so much now. It is very nearly six months now since the first was sent and none has been received yet, hope to get it soon.

I have been getting my parcels of food very well up till lately but have not received any for over three weeks new, so you see we do not get them as regularly as they are sent.

Many thanks for cap badge and sumerals while I hope to get when next clothing arrives.

Thanking you for past favours
