Dear Sir,

Would you please give this matter your earliest attention. Six months ago, I came across from Scotland, with my husband M^{rs} 2247, Pte W. Anthony, D.C.M. of above address. On my arrival here, I made application for separation allowance, which was due me, & I had not received before leaving Scotland. I was informed I could not receive it, until I produced my marriage certificate, which was also on the other side. On production of same, I received the money due me, & I then made inquiries regarding the six months "War Service Gratitude" to which, along with my husband, I am entitled. I was told it would be sent to me, but since then, I have heard nothing further regarding it, & that is a month ago. I may tell you, my husband has received all of his "War Service Gratitude" & up to time of writing I have received none. Would you please find out the reason of this delay, & Oblige

Yours very Sincerely
Margaret Anthony.

OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

- (a) Any disability claimed or discovered.
- (b) The present condition thereof.

22. State whether the disabilities are:—
- | | | |
|--|---------------------|-------------------|

| (i.) Service during the present war | | |
| (ii.) Previous active service | | |
| (iii.) Climate in pre-war service | | |
| (iv.) Ordinary military service before the war | | |
| (v.) Serious negligence or misconduct on the part of the soldier | | |
- Give details:

- 22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. I. C. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

I have hereby to certify in favour of Margaret Boyd who is about to marry No. 2247 Private William Anthony - Royal Newfoundland Regiment. Though not of my own Church she has been favourably known to me for some considerable time & to the best of my belief she has deservedly borne an invariably excellent character in every respect.
