#4493, Pte. T.J. Bartlett

Private Bartlett is 21 years of age and enlisted on the 18th April. He was married in November, 1917 having enlisted in order to avoid being called up under the Military Service Act. He did not know, at the time, that he had any claim for exemption or that he was not liable to serve under the M.S.A..

There is nobody at home but an invalid wife and a two ~~xxx~~ month^s old child. About August 3rd I received a report from Dr. A.C. Tait, who was Acting Medical Officer at the time urging that this man be granted leave of absence owing to the illness of his wife and the fact that there was no one to look after her. This leave has been extended from time to time ever since and on enquiry yesterday I found that his wife is still under the Doctor's care.
