Sir:-

With reference to Mr. (now Viscount) Harcourt's Despatch No. 76 of the 18th February, 1915, I have the honour to request you to inform your Ministers that the Army Council have had under consideration the question of the contributions payable to the Army funds towards the retired pay of officers and men of the Army lent for service under Dominion Governments

2. In consequence of the increase in the rates of retired pay and pension of the Army under Army Orders No. 324 and 325 of 1919, copies of which are enclosed herewith, the contribution charges at present in force have become inadequate, and it is necessary that they should be revised. It has been found on reassessing the pensions of soldiers, that on the average the rates are almost exactly doubled. In the case of officers the rates have been increased by 45 per cent, but, as the old amounts of retired pay in many cases exceed the normal rates laid down in the Royal Warrant for Pay (on which the original contribution of £70 a year is based) the increase proposed is 50 per cent

3. The Army Council, therefore propose to recalculate the contribution charges with retrospective effect from the date on which the increased rates of pension and retired pay came into effect, viz: 1st April, 1919; and in the light of recent experience as to the general effect of the Army Orders referred to, they consider that the contributions should

be as follows:

Combatant Officers		£105
Quartermasters	b	135
Warrant Officers		70
Re-engaged men		36
Extended over a 12 year engagement		£ 24
First period not extended		12

i.e. an increase of 50 per cent in the case of officers and 100 per cent in the case of soldiers. The rates for medical officers are not yet settled.

Deputy Colonial Secretary

Sir:-

With further reference to your letter of Oct, 26th enclosing Confidential despatch of 14th Sept. from the Secretary of State, on the subject of contributions payable to the Army Funds toward the retired pay of officers and men of the Army, lent for service under the Dominion Governments, I would state that the only Imperial Officers on the strength of the Newfoundland Regiment on the 1st of April, 1919, or after that date, were Lieut.-Col. B.J. Barton, D.S.O. Commanding 2nd Battalion and Capt. C. Kern, Adjutant 2nd Battalion.

Captain Kern was not a regular Officer, and would not, therefore, be on the retired list of officers of the regular army. Lieut.-Col. Barton, therefore, would be the only one effected as far as the Royal Newfoundland Regiment is concerned. He took over command of the 2nd Battalion on the 26th June, 1918, and relinquished command on the 24th June, 1919

It would appear, therefore, that the contribution of the Newfoundland Government in accordance with the despatch, would be so small that the Army Council would prefer to have one less account to handle, and to make the necessary provision in Colonel Barton's case from Imperial Funds. It is not known if Colonel Barton is yet on the retired list of officers; but it is presumed that if he is still on the strength of his Regiment, the matter of contribution from Newfoundland would not be a consideration at all.

I am returning herewith the Despatch.

I have the honour to be
Sir
Your obedient servant
(SGA.) W.F. Rendell, Lieut.-Col.,
Chief Staff Officer.

Dear Colonel Barton,

I have been asked by Major Timewell to reply to your letter of 18/1/19, addressed to him on the subject of a visit of a party of 26 Men to Portsmouth Dockyard.

In view of the comparatively small expenditure (£6:0:0) involved in the proposed tour, it is thought that it may well be covered by the grant in favour of the Fishery Tour, and may be included in the same expenditure.

The letter of November 11th you refer to, was one forwarded to you on October 11th, by the Minister of Militia, on the subject of the Adjutancy.

 Yours sincerely,

Dear Tunewell

I understand that \$1000 has been granted towards financing visits of men of this contingent to Industrial Centres.

An exceptional opportunity has offered for a party of about 20 men to visit Portsmouth Dockyard on or about the 26th inst. in charge of Rev. J. F. Matthews - at an estimated cost of £6. (Maximum).

Can you let me know if the fund mentioned above is available for expenses for this trip, & if so whose authority is required? The men who would go are the men advanced of those attending the Navigation Classes here, with one or two instructors, and the visit would be primarily, if not altogether instructional.

So far as I can gather the only other trip contemplated is to Grimsby and possibly extended to one of the Northern Fishing Ports. Can

you let me have an answer early
in the week, as I shall have to
make some arrangements.

Yrs. Sincerely

R. J. Barton

P.S. I can't trace letter of Dec 11th and
have unfortunately forgotten the subject.
If you let me know what it was about
perhaps I can find it.
