Sir,

Postal Services

With reference to your letter 15/3/17 on the subject of parcels addressed to No. 1578, Pte. E. Blackmore, records here show that one parcel was received at this office on 22/12/16 and together with a number of others was handed over in a sealed bag to the Army Post Office for transmission to the B.E.F. in accordance with customary process.

In a number of cases where complaints of non-deliveries have been received, it has been found that the articles had eventually reached their destination, and it is possible that this may prove to be only an instance of delay rather than actual loss.

No trace can be found of any parcel bearing this address having passed through this office this year and if it is still undelivered it is suggested that you make enquiry through the authorities at the Post Office of origin, who would be in a position to give the number of the Parcel Bill and of the particular entry on the Bill, when it might be possible to trace it.

I am,

Sir,

Your obedient servant,

Major,

Dear Sir:-

Am herewith enclosing according to your request marriage certificates of Herbert & Arthur, sons of Mrs. Fanny Blackmore, the returns for the Certificate of the marriage of Stanley the other son have not reached us yet from Bell Island, but you can rely on it, that the marriage is valid.

Also find enclosed health certificate of husband of the applicant.

Since receiving your request for these certificates Mrs. Fanny Blackmore has died, but her husband, feeble and helpless still lives and may for some years. It seems rather unfortunate <sup>that</sup> ~~that~~ this application should

remain "hung up" through long delays at the Dept. of Militia while an old mother who gave her only support to the service of the Country and Empire dies without ever knowing that that service has been duly recognised. I trust that her surviving husband will yet receive the benefit of her claim.

Hon. Mr. Hickman  
Minister of Militia

Dear Sir:-

Several months ago Mrs. Fanny Blackmore of this place applied to your Dept. for separation Allowance due to her as she supposed on behalf of her foster son her only support who was killed in battle on 14<sup>th</sup> April 1916.

The magistrate's signature was also given to her statements, as was the Dr.'s certificate of health. (she is an invalid, and her husband has been unable

to work for several years.

No word has been received saying if or why her application has been rejected. If you can do anything in the matter, we would be much obliged.

Dear Sir:—

Has Mrs. Fanny  
Blackmore's Application for  
separation allowance been  
considered? Quite a long time  
has passed since it was first  
sent, and the old lady is now  
sick and also in need, so  
that if there is anything within  
her claim it would be well  
that she received it. Trust  
that you may soon be able  
to have her application  
considered.

I remain.

Dear Sir:-

With reference to your previous letters and claim of Mrs. Fanny Blackmore. It is regrettable that this claim could not have been adjusted before now, but you will remember that I wrote for certain information enclosing Marriage Certificate of STANLEY, and you stated in the letter that this would be procured from Bell Island, and forwarded to me, but up to date it has not come to hand, and consequently the claim has been held up. It is necessary to have this before the claim can be finally disposed of. When it is received I shall transfer the application to Henry Blackmore the father, and will advise you in due course what decision is arrived at.
