Reference 2133/2 of 2nd June,

Subject, No. 1050 W. Boggan.

A postal Money Order was received by the C. in C. of this hospital to give to the above man. His receipt was duly received and has been posted to you.

Yesterday he went to the post-office to draw the money but found that it was refused him as the ~~cheque~~ Post office Order was payable to W. Boggan whereas he is John J. Boggan. He brought the money order back to me this morning and explained the matter, and as he was discharged from hospital today and wished money to carry him through to his regiment and to meet some expenses he asked me to cash the order. This I did. Herewith I return the Money Order to you and request that you will be good enough to send me or the Officer in charge another order for seven pounds stg. If you remit by Money Order please inform the postmaster not to make it payable at Stobcross for that P.O. is six miles from here and in one of the "slum" districts. It should be made payable at the Head Post Office, Glasgow.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalidated, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

(i.) Service during the present war; *ho*

(ii.) Climate;

(iii.) Ordinary military service; *ho*

(iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or *ho*

(v.) Whether it is constitutional or hereditary. *ho*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *ho*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which? *No. ho*

23. Is the disability permanent? *ho*

24. If not permanent, how soon do the Board recommend re-examination? *ho*

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil. *80.*

26. If an operation was advised and declined, was the refusal unreasonable? *ho*

27. Do the Board recommend—

(a) Discharge as permanently unfit, *ho*

(b) ~~Discharge~~ England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

(a) Sanatorium; *ho*

(b) Hospital;

(c) Convalescent home;

(d) Asylum; or

(e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended? *ho*

30. Does the man require the constant attendance of another person? *ho*
