Gentlemen:-

In reference to forms forwarded Mr. Geo. Bowring, 18 Endicott Ave. Exhibition Grounds, Halifax, N. S. These forms were brought to me as a J. P. for signature and I note that question "7" inquires name of dependent, if any to whom separation allowance was issued prior to discharge. It would appear from this question that separation allowance was paid to dependents of married men enlisted from Newfoundland. As Mr. Bowring had a wife and two children should they not have received separation allowance, and if same was not received are they not now entitled to receive same as back pay. I thought it well to bring this matter to your attention.

This man went overseas at a financial loss to himself and family and was discharged, medically unfit.

It would therefore appear that his family were entitled and are still entitled to any allowance paid other families in a like position

Trusting this matter will receive your attention..

Yours truly,

Dear Mr. Oke

Kindly allow me to thank you, for your inquiries on my behalf, though I must say that the statement you have received from the Pay Dept. is not correct.

It is true I have received five payments, but my wife has not received any of the said payments, credited to her, which is a total of \$120<sup>00</sup> and I beg of you to inquire further into this.

I really don't know how this discrepancy should occur, as the Bank officials would

verify this, the neglect must  
rest on the shoulders of those  
responsible in the Pay Office,  
and whoever it is, should  
be brought to book, as I do  
not think it right, that I  
should be caused this  
trouble and inconvenience  
through the neglect of others.  
Thanking you again, and  
hoping you will give this  
matter your earliest attention

NOMINAL ROLL of Sick and Wounded from the \* France Expeditionary Force  
 admitted on April 26th 1916 from Hospital Ship "St. Patrick" Southampton  
or  
Dover.  
 \* Here insert which Expeditionary Force.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
  - (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.
- If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.
