copy of this office No. 801/1 exchanged with the Hon. Secretary, N.W.C.A. is enclosed together with No. 5751/192, to the O.C. 1st Bn., No. 720/4 to the Hon. the Colonial Secretary, from which it will be seen that enquiries concerning the mail matter of the same soldier have been previously received and dealt with so far as at present lies within the power of this office.

At the present time there are various references to the Army Post Office awaiting replies. As a matter of fact I have today had a long conversation with Col. Hadow on the subject generally. Unless letters and parcels are registered right through, it is practically impossible to trace them after they are handed over by this office to the Army Post Office.

The whole subject is one that has received special attention which has not been relaxed from the initiation of mail matter being sent to care of this office.

A good deal of the correspondence, telegraphic and otherwise, has been exchanged with the Colonial Secretary, please.

Hon. R. Watson, P.S.

Please turn up application on which T<sup>353</sup><sub>251</sub> was sent, and send a suitable reply. The complaint was made by a lady who works here for the W.P.A.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration.
