

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification, depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i|c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Dear Sir,

I am in receipt of your letter of the 21st instant, in relation to your son. I am very sorry that he who was so prompt in coming forward is now so ill. In relation to furlough, that is a matter with which we have nothing to do here, the Military Authorities of Great Britain having such matters in charge. It is impossible, therefore, for either myself or the Prime Minister to take any action, but I feel sure that the Authorities on the other side, if they find that his condition is such as to unfit him for active service, will all arrange for his return to his native land.

Yours truly,

Colonial Secretary.
