Sir,

Application for Furlough - No. 1152, Pte. E. Burt

With reference to your letter 25/8/17 (5126): I have the honour to state that the above named man having been passed fit for General Service formed one of Draft No. 29 which proceeded to join the 1st Bn., B.E.F., on 7/9/17, so that for the time being it does not appear practicable for him to return to Newfoundland.

I may add that all applications for long furlough from the B.E.F. have to be dealt with directly by the War Office and are only sanctioned under very exceptional circumstances.

I have the honour to be, Sir,
Your obedient servant,

Major,

His Excellency,

Sir W. E. Davidson, K. C. M. G. & C.

My it please Your Excellency:-

My son Eric Burt, No. 1152

Newfoundland Regiment, left here with the first draft B. Company.

He was wounded in the July drive and again in October last.

He is at present at Barry, but I am informed will not be fit for active service for a long time.

Would it be possible for you to give him an opportunity to get a furlough to his home as I feel sure his native air would probably do more to help him regain health than anything else.

Yours respectfully,

John Burt
