Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

This man is due to proceed home, via Canada, by the S.S. "Corsican" 13/7/17. He asked especially to be sent by a later sailing than the transport. He has lately had an artificial limb adjusted and it is understood he is not yet quite accustomed to it and mainly for this reason asked to be allowed to travel by this vessel.

Noted.

The S.S. Corsician was ordered into St. John's on her way over, and this man was landed.

His documents are enclosed, please.

Colonial Secretary
St. Johns N.F.

Dear Sir:

It is now upwards of two months since I have heard of my son Kenneth of Butler 1180. I have never been officially informed Re. his having lost a leg which speaks volumes for the Officers in charge of Pay & Records in connection with our Regiment. I have been expecting my son home for some time past as I heard indirectly that he was discharged from Hospital.

Any information concerning him and when he is likely to be sent to this country will be thankfully received. I desire prompt communication.

Yours respectfully

S. K. Butler
