Sir:—

The Pension and Disabilities Board, requiring a report on the Pensioner named in the margin, kindly notify him to appear before you during the week of October 15th. - 22nd.

Stephenville Crossing

Pensioner will be notified to appear before you on whatever date you find convenient.

If another Registered Medical Practitioner is in your neighbourhood, or likely to be there during the week, it is preferable that you should both examine the Pensioner at the same time, and both sign report

The fee laid down by the Pensions and Disabilities Board for such examination is one dollar ($1.00) for each Doctor for each examination.

I have the honor to be,

Sir,

Your obedient servant,

Cluny Macpherson

Major-Secretary.

D. J. Bethune, Esq., M. D.,
St. Georges.

To the Medical Board, or Medical Examiner.

The Pensions and Disabilities Board requires a report on the present condition of

1360 Private John Carter

The object is to enable the Board to decide the degree of pension, if any, to be awarded for the next ensuing year. To this end clear and decisive answers to the questions in the accompanying report should be filled in by the Board, as it is essential that the Pensions and Disabilities Board should be in possession of the most reliable information to enable them to decide on the man's claim to Pension.

Expressions such as "may", "might", "probably", &c. should be avoided.

On page 4 of this sheet will be found the scale of Pensions as proposed for Newfoundland, by the Patriotic Association of Newfoundland.

The identity of the Pensioner should be established, to prevent personation. For that purpose a description of the pensioner and of the Disabling condition is given below. Should any items be omitted we should be glad if you will fill them in on the second copy and return to us.

Apparent age	21
Height	5'5"
Complexion	Fair
Colour of Eyes	Brown
Colour of Hair	Black
Mark of Identification	

G.S.W. ABDOMEN. INTESTINAL OBSTRUCTION

Condition July 31st., 1917. Flesh wound on upper part right arm - healed - wound left side spine lower dorsal region 2" long - healed. Bullet wound over crest ilium right side. Two Laparatomies One at Clearing Station to remove foreign body - second at Ayr to remove adhestions. One wound over lower left Tibia. Pieces of bone removed and wounds healed

Two copies of a Report Form are enclosed in order that you may retain a copy in case of loss of the original in the mail. Please return your report direct to me by Registered Post.

You will please forward also, under the description of the pensioner's present condition, his signature. Please have him affix this to the copy also which you retain.

Sympathetic consideration for the pensioner is desired, but at the same time self-help is to be encouraged in every way possible. The purpose of the pension may be defeated by lowering the independence and self-respect of the pensioner.

I have the honour to be,

Sir,

Your obedient servant,
