No. 1003, Pte. W. Clark.

With reference to your letter 16/1/16 received at this Office 8/3/16, see enclosed envelope, I regret I am unable to inform you why Pte. William Clark has not received his letters. All those that are delivered at this Office are forwarded to the last known whereabouts of addressee, and after such despatch it is a matter entirely with the Postal authorities. In the case of registered letters passing through this Office a record is kept, but with the large quantity of ordinary mail matter it is of course neither practicable nor reasonable to record particulars.

For some time it has been the practice of the Postal authorities to forward bags of letters direct to the Mediterranean without reference to this Office, and this you will see by the enclosed envelope, ~~this~~ is a case in point, although the address is perfectly clear thereon.
