† Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1163, Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Active Service

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

His present condition is a sequel of the jaundice & rheumatism.

21. Has the disability been aggravated by

(a) Intemperance?

No

(b) Misconduct?

No

22. Is the disability permanent?

No

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, or total incapacity.

$\frac{1}{2}$ for six months

25. If an operation was advised and declined, was the refusal unreasonable?

—

26. Do the Board recommend

(a) Discharge as permanently unfit, or

Yes

(b) Change to England?

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Dear Capt. McGrath.

Some time ago I received a communication from Mr. Frederick Clouter, whose regimental number in "Ours" was 422, and who has for some years been living at 86 Walnut Street, Watertown, Mass.

I have been informed by some Newfoundlanders living in that locality that this man is in dire destitution, and his family likewise. He is, because of a health condition, unable to work and has, on several occasions, represented his case to American army pensions authorities for transmission to your Department.

I recall that Mr. Clouter had been a patient in hospital during his period of enlistment, and with the thought that he might be able to establish a claim for pension, it was suggested to him that a medical certificate be obtained and forwarded to you for the consideration of the Pension Commissioners. This certificate, which I received recently, is now enclosed.

It will be appreciated if you will have

Dear Sir:-

On my last examination at Bonavista after hearing from St. John's, I was told my case was such I could not be granted a further pension stating my case before the Doctor very reasonable but could not do my work as I have done owing to what I went through at the front, and on times having to pay a man to do my work. And I am just about the same to day. I would like to know if it could be arranged as I could have another examination, and see if my case is such to be cut off from what should be due me. I feel quite satisfied to undergo the same mentioned above knowing and feeling my case is such. I understood before I could be struck off from pension I was undergo a board at St. John's. If so Sir, I wasn't given the least ~~far~~ fair play at all.
