Dear Sir, C.R. 0-170

I am in receipt of yours of 2nd inst. I may say that I would require passage for my two boys aged 6 $\frac{1}{2}$ & 5 yrs. besides myself - I really should much prefer sailing direct from R. Doherty, if such a thing were possible

way ym intended to
arrange passage for us,
and whether ym think
it advisable to wait for
a boat from St. Johns
or go via Canada -
Being mt here makes
it difficult to learn
anything, and I know
ym will arrange
things satisfactorily.

Thanking ym very
much I am

to Canada with two chil.

would be an undertak-

waiting for a direct
boat, until after June
mt would be ready to
go in ten days time
if a boat happened
to be leaving St. Johns
about then. I should

Dear Madam:-

I am directed to acknowledge receipt of your letter of Sept. 13th concerning transportation for you to the United Kingdom . I am instructed to state that some weeks ago an application was forwarded to Canada for transportation for you. No reply has been received to date, and another letter is being forwarded today, and I shall inform you as soon as reply has been received.

Director of Ocean Transportation
Department of Militia & Defence
Ottawa, Canada

Wife of Captain H. Cole
Newfoundland Forestry Companies

Sir:-

It is understood that about a month ago a request was forwarded by His Excellency the Governor to the Governor General of Canada, asking if transportation from a Canadian Port to a port in the United Kingdom could be obtained for Mrs. Cole. Captain Cole has written this Department and stated that he is very anxious to have his wife with him in Scotland.

As no reply has apparently been received by His Excellency the Governor, I have the honour to request that this matter be given consideration, and if transportation can be arranged, that we be notified of the possible date that Mrs. Cole would require to be in Canada.

In the event of the Governor's request being forwarded to your Department, it is hoped that this application will not be conflicted with the former.

I have the honour to be

Sir,

Your obedient servant,

Minister of Militia.

His Excellency

Sir C. Alexander Harris, K.C.M.G., etc., etc.,
Governor, Newfoundland.

Your Excellency:-

Captain H.H. W. Cole of the Newfoundland Forestry Corps, now doing duty at Dunkeld, Scotland, is applying for transportation from Newfoundland to a port in the United Kingdom for his wife and two boys (aged five and six years) Mrs. Cole has been living at Badger Brook; and as the Anglo Newfoundland Developing Co. have decided not to operate there next winter, there will be no resident doctor there, Captain Cole, therefore, is forced to remove his family somewhere else; and states that he will not be able to meet the expenses of taking a house in St. John's, and, further, for personal reasons, he would naturally like to have his family with him in Scotland.

I would be glad if Your Excellency would take this matter up with the Canadian authorities with a view to arranging transportation as requested.

I have the honour to be

Your Excellency's
obedient servant,

Minister of Militia.

Sir,

Would it be possible for you to arrange - perhaps
for my wife two boys (or subjects) - that they can join
me at Kewee by September - the early part of October.
She has been living at Badger Bank for over a year by
herself - now finds the strain of living so much alone is
getting too much for her, besides the A.H.D. to have visitors
not to offend them next winter, therefore there will be no visit
to D. There I am forced to move them elsewhere. I
trust you will agree with me that I will be able to meet

the above are the only my first Receipts better than if
I had to take - have - I have which I intended in
my last night just now. at 10 o'clock I have my own house
this is not to pay, which was the same I left to them
in my draft to the County.

Thanking you
