Reference attached correspondence concerning above noted men. Four of them are at present in the M.I.D. Hospital suffering from colds. They were admitted to M.I.D. from Barracks Hospital 8th October except G. Collier who was admitted on the 24th October after 15 days in Barracks Hospital.

The only apparent thing wrong with them was a slight increase in Temperature at night time but they are all marked as "Improving" at the M.I.D. Hospital. There is nothing in the Medical Report to show that they are suffering from Tubercular trouble.

6229 Pte. Lawrence Collier has been on duty since he enlisted and has not reported on any sick parade. There is another man of the same name, from the same place who was in Barracks Hospital 3 days with a slight temperature but he has been discharged to Duty.

Dear Sir:

I beg to make at least a mild protest against the passing for Military Service of some young men from St. Albans Bay D'Espeira. The following have sprung from families infected with tuberculosis:

Lawrence Collier.	Chas. Collier.
Patrick Collier.	Samuel Cox.
Wm. Collier.	

I predict that these chaps will very soon be subjects for a Sanatorium. They are all very ill now and it seems to me akin to manslaughter to hold such men in the Military Service. We who know the history of these families are filled with astonishment that such subjects should pass the Medical Board.

Yours Sincerely,

NOTES:—

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.
- (c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- (d) Be as brief as possible compatible with lucidity.
- (e) Avoid dubiety—"perhaps" "possibly" "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Mr. J. R. Bennett,

Dear Sir:-

I beg to make at least a mild protest against the passing for Military Service of some young men from St. Albans, B y D'Espeir. The following have sprung from families infected with tuberculosis:

Lawrence Collier,	Chas. Collier,
Patrick Collier,	Samuel Cox,
Wm. Collier,	

I predict that these chaps will very soon be subjects for a Sanatorium. They are all very ill now and it seems to me akin to manslaughter to hold such men in the Military Service.

We, who know the history of these families, are filled with astonishment that such subjects should pass the Medical Board.

Yours sincerely,

(SIGNED) S. St.Croix.
