Dear Sir

as he was three years there
and one dead

I have received your cheque
\$36.94^{ts} suppose to represent
reserve pay of Capt J Collins
as his allotment was
eighty cents per day and
his pay \$1.10. The remaining
continuously also during
the of enlistment he had
but one furlough
of ten days it would
therefore appear that
the amount of reserve
pay should be very much
greater please look into
the matter and furnish
me with an account of
the same

Yours Truly

John Collins
