Henry Comor, Esq.,

Dear Sir, 725. L.Cpl. M. Comor, deceased.

I was deeply grieved to receive your telegram on the 5th inst. (7480), notifying the death of your son at Stockport, which was also communicated to me by the Hospital authorities. I informed the Newfoundland War Contingent Association, and I understand they sent a wreath for your son's grave. I also understand the Hospital authorities helped you with regard to the funeral arrangements, in accordance with regular custom.

I am to express the warmest sympathy of the Newfoundland Government at your loss, which must be all the more painful to you after the long period your son was ill, and during which he made such a plucky fight to recover.

I enclose the message of sympathy from Their Majesties the King and Queen.

I am,

Sir,  
Your obedient Servant,

Major,  
Chief Paymaster & Officer i/c Records.

NOMINAL ROLL of Sick and Wounded from the \* **French** **Expeditionary Force**  
admitted on **23/10/16** from Hospital Ship **Carisbrook Castle** Southampton  
or  
Dover.

\* Here insert which Expeditionary Force.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, *e.g.*, enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, *e.g.*, gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., *not later than the day after admission*; envelopes to be marked C. 2, Casualties: rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.
