The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

(a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.

(b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Reference your letter of even date on which above noted man appeared as discharged "Medically Unfit", June 20th, 1918, I am unable to understand what it refers to.

This man was on "Re-attested" strength up to and including 13-7-18, on which date he was discharged from Depot (D.O.'s Pt.II, No.127), after being dealt with by Standing Medical Board.

How is it he is now shown as discharged from Pay Office on 20-6-18. Pending an explanation I am holding over any reference to him in Part II Orders other than that which has already appeared.
