Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Dear Sir

As we had no patient of the name of Cranford, & could not trace him at either of the Bangor Hospitals, the enclosed letter was put away in case any such patient was being transferred to us.

Unfortunately, as it arrived at a very busy time, it was lost sight of & has only today been discovered among some other papers. I opened it to see if it contained anything of value

find that there is a money order enclosed -
I ~~much~~ regret that it has been kept back so long
hope you will be able to restore it to Pte. Cranford.

Yours truly

We are in receipt of an inquiry from our District Office in Halifax requesting eligibility of the marginally-noted for treatment purposes under Class 5(a).

Treatment Benefits may be furnished in this classification provided that the marginally-noted served in a theatre of actual war and was honourably discharged.

We would, therefore, request that your Office prepare a statement of record of service indicating date of enlistment when he arrived in England and France, and the date of discharge. It would be appreciated if you would consider our request as urgent as the veteran requires active remedial treatment.
