Civil Re-Establishment Committee

Sir:- No. 1996, Private Curtis

The above mentioned soldier has made application to the Colonial Secretary for consideration of his claim for a engineering course. He has been referred to me by the Colonial Secretary, and on enquiry from him I find that his main object is to learn a trade which will give him greater earning power than his present occupation.

I informed the Colonial Secretary by telephone of the conditions under which courses were granted by your Committee and the difficulty in allowances course to this man. He has asked me to pass this case to you for further consideration, please, and I therefore have the honour to request that it may be again brought before your Committee.

I have the honour to be  
Sir  
Your obedient servant

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification, depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

(a) How long is the present degree of disability likely to last?

(b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures).
