No. 1373, CPL. L. DE LACEY, NEWFOUNDLAND R.

With reference to your memorandum 5/11/17 (6583), reply to which has been delayed pending reference to Officer Commanding Depot, Newfoundland Regiment, Scotland: it is regretted that it does not appear possible without unfairness to depart from the usual procedure in such cases, i.e.

(1) If De Lacey is found unfit for any service and is discharged on A.F. B.179, he will be sent back to Newfoundland.

(2) If he is fit for any duty he will, on discharge from hospital be sent either to the 2nd Bn., Scotland, or the Northern Command Depot, as recommended by you.

LEAVE or FURLOUGH  
No. 1373, CPL. L. DE LACEY.

This soldier has applied for furlough, and the following has been received from the Officer i/c Southwark Military Hospital, East Dulwich, S.E. 22:

"The above mentioned man has applied to be sent to Newfoundland. He is suffering from a fractured tibia and fibula and is able to make the journey as an ordinary passenger. He will not be fit for active service for six months, please.

(Sd.) H. W. Bruce,  
Lt. Col. R.A.M.C."

In view of recent correspondence and suspension of transferring temporarily unfit cases to H.Q., St. John's, although this seems one that might reasonably be sent to Newfoundland instead of remaining in this country, your views are asked before further action is taken by this office, please.

Major,

Chief Paymaster & O. i/c Records.

If this man is fit for discharge he will be repatriated.

If one exception is made there is no reason why a hundred should not be made and the whole question of unfairness and prejudice is reopened.

If this man is fit for any duty in any category he should be sent here or to C. D.

Commanding 2nd Bn. Newfoundland Regt.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, and, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war ;
- (ii.) Climate ;

23. Is the disability permanent?

Yes

24. If not permanent, how soon do the Board recommend re-examination?

✓

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

vide 16

27. Do the Board recommend—

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalidated, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war ;
- (ii.) Climate ;

To Chief Paymaster, Newfoundland Contingent, England.

Gentlemen

who may concern, I beg to state that I have known Mrs. S. Delacey, 143 High Street, Ayr for the last ten years and all that time I have found her to be a straightforward and decent young lady.

I have known her parents for nearly 20 years and has seen her at least once per week for many years. I have never seen anything that could hinder me from giving a certificate of character.

I am,

Yours respectfully,

Pay & Record Office,

LEAVE or FURLOUGH  
No. 1373, CPL. L. DE LACEY.

This soldier has applied for furlough, and the following has been received from the Officer i/c Southwark Military Hospital, East Dulwich, S.E. 22:

"The above mentioned man has applied to be sent to Newfoundland. He is suffering from a fractured tibia and fibula and is able to make the journey as an ordinary passenger. He will not be fit for active service for six months, please.

(Sd.) H. W. Bruce,  
Lt. Col. R.A.M.C."

In view of recent correspondence and suspension of transferring temporarily unfit cases to H.Q., St. John's, although this seems one that might reasonably be sent to Newfoundland instead of remaining in this country, your views are asked before further action is taken by this office, please.

*If this man is fit for discharge he will be repatriated.*

*If one exception is made - There is no reason why a hundred should not be made & the whole question of unfairness & prejudice is reopened.*

*If this man is fit for any date in any category he should be sent here*

With reference to your memorandum 5/11/17 (6583), reply to which has been delayed pending reference to Officer Commanding Depot, Newfoundland Regiment, Scotland: it is regretted that it does not appear possible without unfairness to depart from the usual procedure in such cases. i.e.

(1) If De Lacey is found unfit for any service and is discharged on A.F. B.179, he will be sent back to Newfoundland.

(2) If he is fit for any duty, he ~~should~~ will, on discharge from hospital be sent either to the 2nd Bn., Scotland, or the Northern Command Depot, as recommended by you.
