Dear Betty

Just a very hurried line to you to say that I have come thru the mill O.K. Will you wire home for me a shorts wire something like "But all right" or to that effect. That is when you begin to send lists.

Things have gone fairly good our shirt was a great success and we did not suffer too badly. Had a pretty hard labor time of it all. Have been at pretty high pressure ever since.

By the way will I be getting any kind of pay work as packing cloth. There had it ever with that went off sick. Of course I was back with before + don't think there will be anything for that but I do not see why I should do the work of some other set. fixed for it particularly when they are away from all the work.

Kind regards Love to all
at home
Betty

The Governor;

I have the honour to acknowledge the receipt of your communication of August 25th, in relation to Mr. C. B. Dicks.

I understand that the work of his Department can be performed without any inconvenience during his absence, but this might not be true of every other Department, and it would be well that each case of a similar nature should be dealt with as it arises, without laying down any general principle.

The Right Honourable
The Prime Minister.

An application has been received from Mr. H. Outerbridge asking, on behalf of the Equipment Committee, that Mr. C.B. Dicks be appointed to act temporarily as Quartermaster Sergeant under pay.

I am forwarding the application to the Finance Committee for consideration, stating that I approve of the selection of Mr. C.B. Dicks and that I should be glad if the Finance Committee would fix the terms of payment.

2. The application raises a question of principle on which I should be glad if Ministers would pronounce a considered decision.

Mr. Dicks is a Volunteer for the front. He is employed as Clerk under the Government Engineer and draws a salary of £700 (I think) per annum. He has dependents.

I suggest for Ministers' consideration that Government servants who volunteer for the front should be granted half pay during active service and be considered to be on leave of absence on half pay. But such leave on half pay should be granted subject to the condition that the exigencies of the public service will permit the Volunteer to absent himself and that the Head of the Department is prepared to undertake
that

that the duties of the office shall be performed during
the absence of the Volunteer on active service without
additional cost to the Government.

ST. JOHN'S, NEWFOUNDLAND.

November 26, 1918.

From:- District Officer Commanding,

To:- Chief Staff Officer,
City.

Lieut. C.B. Dicks.

This officer has been acting as Assistant Director of Recruiting since April 9th 1918, (vide Militia Orders #9). As there is no further necessity for continuing this appointment I have issued a District Order instructing Lieut. C. B. Dicks to report to the Depot to take over the duties of demobilization officer, under the command of the Officer Commanding Discharge Depot.

As the appointment of Assistant Director Recruiting was promulgated in the Royal Gazette it will be necessary to note that this appointment is now vacated.

While holding the position of Assistant Director Recruiting, Lieut. Dicks performed his duties with zeal and discretion and I now make special mention of his work in this connection and have the honour to ask that you forward such report to the Minister of Militia.

As the duties of Demobilization Officer will be responsible and onerous I have the honour to recommend that while acting as Demobilization Officer Lieut. Dicks be promoted to be Acting Captain from 25th instant.

Sir,

On Saturday last I received a telephone message from you intimating that I was to be gazetted as Acting Captain and after receipt of message put up the badges of that rank.

I have now seen Militia Orders No. 27 issued in last night's Royal Gazette and, permit me to say, I do not think I have been rightly considered.

If my position in these orders is the value the Department places on my services I have only to express my regret that it is so.

I have, therefore, taken down the extra badges and now as before

Captain C. B. Dicks.

I have the honour to bring to your notice the services performed by this officer. Previous to and during the operation of the Military Service Act, Captain Dicks was responsible for the reception, enrollment and examination of all recruits and carried out these duties in an able and efficient manner. Similarly after the termination of hostilities he undertook the duties of Demobilization Officer, assisted in the organization of the work and carried out the difficult process of the preliminary stages efficiently and in a satisfactory way. If this officer has not been placed in Staff category for purposes of pay I recommend that he be graded in accordance with the responsibilities assumed. I would further suggest that his name be forwarded to the Minister of Militia for such recognition and reward as may be considered necessary in the circumstances.

C. 2.—Casualties.

COLONIAL CONTINGENTS ONLY

ROYAL HERBERT

HOSPITAL, at Woolwich

~~Admitted to~~

NOMINAL ROLL of Sick and Wounded from the * BRITISH Expeditionary Force
admitted on 8th July, 1916 from Hospital Ship ~~Southampton~~
or Dover.

* Here insert which Expeditionary Force.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.

Statement to accompany A. F. W 3428.

On July 6th I was sent to H Camp to make arrangements for accommodation of the Regt. Details not going into the Front Line. I called at the Camp Adjutant's office at 'G' Camp to see him in same. Leaving there about 12.30 p.m. I mounted my horse just inside the Camp Gate and swung out on to the Main Road turned up to the right and remember no more till I regained consciousness in the 88th Field Ambulance.
