According to my reckoning & memory that leaves a balance in my

favour of £ 4-6-2 instead of  
£ 2- odds which you advised me.

but could you let me know where  
the difference is.

Thanking you in anticipation

Sir

In a letter we had from our  
son Sergt D. Eaton no 811 Co. Coy  
who is now in Wandsworth Hospital  
he told us he thought you had  
sent us a Parcel that had gone  
astray when the Newfoundland  
Regiment came from Egypt to  
France. We have not got  
the Parcel. If you have sent it  
on to me would you let me  
know so that I may make  
inquiry about it

I am yours Respectfully

## Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

From:- M.O. Military Hospitals Commission.

Bill Duncan Eaton.

The above noted man states that he is under your treatment.

He requests a Medical Board as he is at present under 20%.

I have intimated that if you will furnish me with a Certificate, stating, that in your opinion his disability is greater than that, I would arrange a Board for him.

Can this be done please?

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.

- (e) Avoid dubiety—"perhaps," "possibly," "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. & C. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Major Parsons,  
Sir,

On the 6<sup>th</sup> inst. I was passed A1 by a travelling medical board, even although reporting rheumatism in left thigh caused by a gunshot wound. Recently I have been suffering from piles - contracted whilst on active service in Gallipoli - but from which I was free when examined, & since my examination they have troubled me very much.

I now wish to be examined by a standing medical board. Please.

I am,

Sir,

Your obedient servant

Dear Val.

Here I am at last <sup>having</sup> ~~after~~ come to this city  
10 days ago & was only two days in the place when I  
got fixed up with The Robert Simpson Coy Ltd.

I did  
not like the look of Montreal, but called on your friend  
Snow & he had left for a situation in Boston. Visited  
the Rennie's & found them all well. Stayed in Montreal  
for 3 days but never looked for a job. So came  
right on here. To be candid the unsettled spirit  
was still in me but am now a little more  
reconciled.

This is really a beautiful city & lovely  
laid out. With the exception of the main streets all  
are lined with trees & just now are a picture with  
their green leaves.

Have seen some class base ball  
matches (pros.) & football is played here something  
like the game.

My hours are 5:30 every night (Sat. included)

but during June July Aug. & Sept we get off every Saturday at 1 P.M. I'm in the drapery dept & think I'll like it. The Salary aint quite so large but I know I'd be up against that but on the whole I'm far happier & only wish that I had left St Johns earlier.

You can send my pension money to this address. Also ask Harry Maddock for one of those buttons which are to be issued to the troops. He would not give me one one I left because the forms werent ready for signing - red tape once more.

Another favour now & I'm finished yet Major Parsons to send me on a certificate that I'm to receive treatment - my last board as you know gave me another three months & a rise in my pay - I don't think - for I find my hands requiring further treatment. As far as I can see we have some association here for sold men for according to the papers the least little thing & they are up in Arms. What a difference from St Johns - I'll say no more on this - Hope you will find time to attend to the above & trust you are keeping well. Remember me to any of the old boys & not forgetting them all at Hillstead. Sincerely yours Sam Eaton

Dear Duncan:-

I beg to acknowledge receipt of your letter of May 20th, and was more than surprised to note by your address that you are in Toronto.

With reference to your Pension. I beg to state that a few days ago we forwarded you three cheques, and further cheques will be sent you on the 1st of each month.

I was glad to note by your letter that you had been lucky in securing a job, and I wish you every success.

I will write you a more personal letter very soon, and shall tell you all the news, etc., concerning St. John's, and anything else I think will interest you.

I was sorry to note that your hand has been troubling you, but I hope that it will cease to do so very long.

I must now close this short epistle by wishing you the best of luck and the best of health.

Yours faithfully,

Asst. Secy.
