Mr. Thomas Elliott,

Raleigh.

Sir,

Your telegram of 1st April, addressed to His Excellency the Governor, has been passed to this department.

It is noted that an application was made by you for a commission for #5101, Pte. A. Elliott. I should be glad if when writing next to your son you would point out to him that the correct person to whom to apply for a commission is the Officer Commanding his Battalion, through his Company Commander. The Officers under whose control he is at present serving is the best position to know his qualifications and if they consider him a suitable candidate they would no doubt have him sent to an officers training school with a view to eventually become an Officer.

I have the honour to be,

Sir,

Your obedient servant,

OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) *The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

21. Give diagnosis and particulars of:—

- (a) Any disability claimed or discovered.
- (b) The present condition thereof.

22. State whether the disabilities are:—

	(a) Attributable to	(b) Aggravated by

(v) Serious negligence or misconduct on the part of the soldier
Give details :		

22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures).
- (b) In case of aggravation or where there is any evidence that there was a disability on entry, what in your opinion was the degree of disablement which existed at the time of joining the Army?

25. If an operation was advised and declined, was the refusal unreasonable?

If the Military Member is in disagreement with the Civilian Members, he is to state his opinion in the space provided.

26. (a) Do the Board recommend discharge as physically unfit for further War Service, i.e., do they place him in Grade IV. only?

17. If not, was an operation advised and declined ?
