On 20th March, 1915 this Soldier made an allotment payable to himself, to be deposited in the Royal Bank of Canada, of 50¢ per day.

This allotment was continued until 30th August 1916.

The reason he stopped this was that apparently his Mother went to Captain O'Grady and made arrangements with him to have this money paid to her, and which he states has been drawn out of the Bank.

On the 23rd August 1916 he applied to the Bank for the sum of £10. and received a reply to the effect that the money was deposited in his Mothers name. Yet he persists that it was in his own name.

As he is anxious to know on whose authority this change was made, he wishes new allotment to be held over pending enquiries.

Will you please investigate.

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
