Dear Sir

As I cannot get an Order signed here to draw any money from the Pay Office & I will be leaving here shortly & I got the loan of a little money expecting to get some from home but I have been informed by the Controller of Money Order Office London that the money sent was drawn at Ashford and the Order bears my signature. Apparently the money fell into somebody's hands which is a great disappointment to me so I want to know is it possible for me to get two pounds sent so to enable to pay what I owe before I leave here. I should be greatly obliged,

Opinion of the Medical Board.

Notes.—(i) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1913).

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service. (1) *Yes*. (2) *No*. (3) *Yes*.

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, or total incapacity.

- 24a. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act? *No*

When the soldier who is to be brought before a Medical Board is not a patient in Hospital, and in substitution cases, these instructions will be carried out by the man's C.O.

Sir:

#1985 ex-Pte. M. Fennell.

I beg to acknowledge receipt of yours of the 18th inst. enclosing letter from Private M. Fennell, regarding an alleged assault or threatened assault against him by certain parties at St. Brendan's. Magistrate Miffen of Greenspond, who usually attends to the magisterial work at St. Brendan's, will not visit there again until early Spring, and the matter does not seem of sufficient importance to send him there at this time of the year. However, if it should be absolutely necessary, I will endeavour to get Mr. Miffen to make a visit to St. Brendan's. There is no Justice of the Peace at St. Brendan's before whom he could make a complaint. I am returning the letters which you sent me.

I have the honour to be,
Sir
Your obedient servant,

Deputy Minister of Justice.

Dear Sir

I wish to make known to you the treatment given me by some Enscripts who recently returned from Cyprus; some of these fellows who was hiding all the summer & shortly after I returned from England soldiers came here & sent these fellows on to Cyprus & they seem to lay the blame on me for the soldiers coming here for them & since these fellows have been released some of them are threatening to mob me I was attacked at two different entertainments during ones & only for the interference of others I would have faced a severe mobbing & since I have been threatened & it doesn't seem safe for me to go on the street afterwards I am the only returned soldier here & have been receiving very poor treatment from some of these Enscripts & as there are no authorities here I thought I would make the matter known to Headquarters

I am
