Dear Sir:

With reference to your letter of May 6th. regarding the marginally noted man, I beg to advise you that his pay as a soldier in the Newfoundland Regiment, was \$1.10 per day, and \$7.20 per week, subsistence allowance.

Pay Master Royal Wilt Regt:-

Dear Sir:-

I would like to remind you of the fact that up to time of writing I have not received my discharge papers:

if the report from the pension department be not forthcoming soon, I shall be forced to leave home without receiving my papers, which may cause a great deal of annoyance to the Dept of Militia in finding me and forwarding them on.

If my discharge dated from 10th sept, (as was supposed) I am due a months pension, if not then I am due a months pay:

Will you kindly see that a months pay is forwarded, or do what you can to make up the pension Dept.

Sir:-

Some time ago I was sent before a medical board and told that my discharge would date from the 10th Sept, when I would be squared up and my discharge papers sent.

Since then I have heard nothing whatever about my discharge, I do not even know whether I'm discharged or not a poor way for a soldier to be sir, not knowing whether he is in the army or out a complete way rather. There must be something wrong somewhere and I would be very pleased if you would make inquiries and find out the reason for this delay, see that I am squared up and that my papers are sent as soon as possible:
