Dear Sir:-

With further reference to our letter of August 17th concerning No. 2475, Pte. F. J. S. Gardiner, and in accordance with the Casualty notification sent you on January 25th, I would state that the inquiry that was being made by our Record Office, London, for particulars concerning this soldier, crossed the letter from the British Help Committee, to the Central Prisoners of War Committee dated Dec. 30th. It is apparent that the British Help Committee lost no time in sending their notification, and it is regretted that that letter took so long to arrive in London.

If any further particulars come to hand, you will be at once notified.

I wish to express my very sincere sympathy, and I am sure that it must be extremely hard to learn such sad news at a time when you were looking forward so eagerly to his return to this Country.

Yours faithfully,

Lt. Col.
CHIEF STAFF OFFICER.

Mr. Eli Gardner,

Dear Sir:

I am directed by the Minister of Militia to acknowledge receipt of your letter of Jan. 10th, in which you are making enquiries re your son, No. 2475, Pte. Fred J.S. Gardner, who is a Prisoner of War in Germany, and in reply I beg to state that up to date we have not received any news of his having arrived in England, but we are inclined to think that all of our soldiers who were Prisoners are in France awaiting their turn to be sent over to England, and I do not think that you have any cause to worry, as those who have been repatriated have been sent over in small parties.

Trusting that in the course of a few days, we will be able to send you the good news of his safe arrival in England, in the meantime we are forwarding your enquiry on to our Pay and Record Office, London, and upon receipt of an answer we will immediately communicate with you.

Dear Sir

I beg to ask could you please inform me if nearly all the Infl'd. prisoners are out of Germany yet I have been watching the papers pretty closely, but have not seen my son Lt. Fredrick Gardner's name yet mentioned. I fear something is wrong with him, otherwise he would have turned up before this.

The last postal we had from him was dated the 8th Sept. 1918. He then reported of being well. he

had been working on a farm
for quite a while before writing,
in fact. I am feeling quite anxious
about him. I suppose there is some
way to find out where he is alive or
not, if there is any information
in any way that you could give
me in the matter, I should feel
very thankful to you indeed, also
if there is any thing on my part to
do, to find out where he is I shall
be only too glad to do it. I shall
be glad to hear from you by

you will greatly oblige

Dear Sir,

In reply to your letter of the 14th inst., I desire to say that the existing regulations prevent the sending to Prisoners of War parcels from private persons. This work is, however, well looked after by the Newfoundland War Contingent Association of London, England, through whose instrumentality three parcels, containing food and clothing, are sent to each Prisoner of War every fortnight. I have no doubt that since the date of your son's letter, August 5th, parcels have been received by him and others who were captured on the same date. Of course you will understand that under existing conditions in Germany the delivery of every parcel sent might not possibly be guaranteed, but the matter is well looked after by the Newfoundland War Contingent Association and other organizations on the Continent, with a view to procuring for our lads, who may be Prisoners, a regular supply of the necessaries of life.

He asked me to send him some parcels, saying the Cops who were captured before them were receiving parcels, but they had not received any at the time of his writing.
