Attention of Mr. J. Gordon Muir.

Gentlemen:-

Referring to your letter of July 31st., re William George,
No. 720, Royal W.M.L. Regiment, I regret that I do not consider it proper
to furnish you with information which I consider confidential.

The records of disability, in the case of any ex-service man,
are available to the Board of Pensions Commissioners, and their
decisions, so far as I am aware, are based on the findings of the
Medical Boards, in conjunction with service records.

You will, I trust, appreciate my position in the matter.

Yours truly,

Archivist.

CITY.

Dear Mr. Howley,

We thank you for your favor of the 7th. inst. with regard to our enquiry for information regarding the disabilities suffered by William George, No. 720, Royal Newfoundland Regiment and note your contention that such record is available only by the Board of Pension Commissioners.

I think we have already advised you that the information requested was for use in connection with an application for back pension due our client. We have been gathering data from the various medical practitioners who treated Mr. George from the time of his discharge up to 1928 when his present pension began. In this we have had the assistance of the secretary and chairman of the Pensions Board, who placed all their records before us. Our only interest in the matter is to place the information we secure in concise form with the details already on record. It is material to the Commissioners whether our client's military record shows a disability at the time of discharge and it would be an advantage to them to have it included in our presentment of the case.

We thoroughly appreciate your position under the duties of your office, but in view of the fact that the information requested is for the benefit of the Pensions Board, we trust you can see your way clear to comply with our request.

Yours faithfully,

JGM/NW.
