## Descriptive Return of a Soldier Discharged on Account of Disability

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. I.'s Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Sir:-

I have the honour to draw your attention to  
the case of the above noted N. C. O.

Some time ago because he refused to do duty  
at the Military Hospital, it was requested that he  
should be discharged. Through some misunderstanding  
he was taken on as Quartermaster Sergeant at the  
Barracks.

I have spoken to the O. C. about this case  
several times requesting that my recommendation  
should be carried out for the future discipline of the  
men on the staff of the Military Hospitals Commission.

As the Military Hospitals Commission is meeting  
this afternoon, would you kindly let me know what  
action is being taken.

Attached is copy of correspondence relating to the above mentioned N.C.O.

This N.C.O. was doing very little at the Hospital, and was given a reasonable order, which he refused to carry out, and asked for his discharge.

As we have had great difficulty in having the ordinary routine work done, by the N.C.O'S, and men who are detailed for duty under the M.H.C.

I would request that C.S.M. Goobie be discharged, as otherwise we would have no influence over the men under our control.

A few days ago the above mentioned N.C.O., came to me, asking for more help in the Military Hospital, I told him I thought he had sufficient help, as there are three orderlies and Sgt. Bishop attached, but that I would see Miss Mahoney, and make arrangements with her.

Miss Mahoney later stated that she had not asked for extra help and at the same time I suggested to Sgt. Major Boobie that he and Sgt. Bishop would take charge of two wards each, and they might do the dusting and the orderlies the washing up. He evidently objects to this.

I therefore do not see why we should pay him, for doing nothing. I have no objection to his discharge being carried out.

admitted on 19/3/18 from Hospital Ship Peter de Conick, Southampton

\* Here insert which Expeditionary Force.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.

If a limb has been amputated the fact should be recorded.

NOTE.—Two copies of these Rolls to be forwarded, not later than the day after admission:

- (i) One copy direct to the War Office, Alexandra House, Kingsway, W.C.
- (ii) The other direct to the O. I. C. of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately.
