#219, Cpl. R. T. Wood

Above noted man was reattested for Special Duty at Depot on August 2nd, 1918. Through an oversight he neglected to make an allotment so that he could take advantage of the Separation Allowance that he is entitled to.

He has now made an allotment of 60¢ per day to his wife effective from 1 January, 1919. Application for Separation Allowance from that date was sent you with his allotment papers. He is anxious to obtain his Separation Allowance from the date of his Reattestation and I am not sure whether this is in order or not without having his allotment made from that date.

I understand that previous cases have been considered and Separation Allowance allowed for the back period without having the allotment effective from that date.

I, 1. 219. *Lt Robert Joseph Good* a discharged soldier of the Royal Newfoundland Regiment, hereby agree to serve in the Royal Newfoundland Regiment for Home Service in the Dominion of Newfoundland as long as my services shall be required, under the same terms and conditions under which I was serving before discharge.

I, 1. 219 *Roll Jos. #219, Cpl. R. T. Wood

Above noted man was reattested for Special Duty at Depot on August 2nd, 1918. Through an oversight he neglected to make an allotment so that he could take advantage of the Separation Allowance that he is entitled to.

He has now made an allotment of 60¢ per day to his wife effective from 1 January, 1919. Application for Separation Allowance from that date was sent you with his allotment papers. He is anxious to obtain his Separation Allowance from the date of his Reattestation and I am not sure whether this is in order or not without having his allotment made from that date.

I understand that previous cases have been considered and Separation Allowance allowed for the back period without having the allotment effective from that date.

St. John's, Newfoundland,

January 7th-19 191

Will you please use your best efforts
to have Corporal Good's Separation Allowance paid on
these conditions if at all possible?
