Your letter of January 31st., was received after the regulations governing Post Discharge Pay were superseded by those concerning War Service Gratuity, and reply has been delayed on account of the time required to make the necessary calculations of the War Service Gratuity.

Payments of this Gratuity will commence on March 1st., 1919, and will be made in monthly installments until such time as the amount due has been paid.

The amount due is calculated on the basis of a soldier's services, and any amount paid as bonus at the time of discharge, and Post Discharge Pay if already paid, will be deducted from the total amount of the Gratuity.

It is necessary before payment is made, the the enclosed Statutory Declaration be completed and returned to me.

As soon as it is received the first payment on account of the War Service Gratuity will be forwarded.

St Johns.

Dear Sir

I have been informed that discharged soldiers are receiving bonus for three months after discharge.

I was discharged at the end of February 1917, am I entitled to this Bonus also.

On discharge I received Bonus to the amount of \$12.95.

I also notice in an article published by Anthony that the amount of \$30.00 is paid for cloths and some for Overcoat.

I received \$25.00 for pair of
clothes but nothing for
Durocot.

Will you kindly reply and
tell me if I am entitled
to any of this increase

Hoping for a favorable reply
I remain

Yours truly
Reginald Grandy

Hon. Sir

Some time ago I wrote the Secretary of the Pension Committee asking him if I was entitled to the extra allowance on clothing, which I notice in an article published by Authority had been increased; and has as yet received no reply or cheque to that effect.

Since writing I am informed that soldiers discharged before me has received this increase. I also understand that this clothing allowance is exclusive of the War Service Gratuity.

On Discharge I received \$25.00 for clothing; now I think it is \$30.00 for a suit and \$30.00 extra for an overcoat.

This total amounting to fifty dollars seems to my credit \$85.00.

* Loss of teeth on, or immediately after, active service, should be attributed to active service unless evidence shows that it is due to some other cause.

† Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 1162 and 1165 Pay Warrant, 1918).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Active Service

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

G.S.W.

21. Has the disability been aggravated by

(a) Intemperance? *No*

(b) Misconduct? *No*

(c) Any of the conditions mentioned in Question 20, and if so which?

22. Is the disability permanent? *Yes*

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

lessened by one half.

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act? *No*

25. If an operation was advised and declined, was the refusal unreasonable? *no 16*

26. Do the Board recommend

(a) Discharge as permanently unfit, or

(b) Change to England? *yes*

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.
