"Oct. 7th, 45 Days Hospital Stoppages £5:12:6"

As relative stoppages are usually, and in the present instance were clearly, made in the accounts in this Office, it is asked that all claims of a similar nature may be referred to this Office for payment. The claim appears to have been sent you in error by the Command Paymaster, London District, should have been forwarded to this Office, as the amount of the claim represents an adjustment between Imperial and Newfoundland Funds, and not the individual Officers' accounts.
