NOMINAL ROLL of Sick and Wounded from the "**France**" Expeditionary Force
 admitted on **July 6th, 1918**, from Hospital Ship **Oxfordshire**, Southampton
 or Dover.
 Here insert which Expeditionary Force.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties: rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.

MADAM:-

I have the honour to acknowledge receipt of your letter of 9th inst.

The instructions through the Regiment, as to Volunteers' Allotments to relatives and friends, have not so far been received by this Department. The process is; those Volunteers who desire to make Allotments, will do so through the Officers Commanding their Companies, and on forms provided.

Owing to the hurried departure of the Regiment, it appears there was not time to complete the necessary formalities, I understand this will have been attended to on the voyage, and I presume you will receive advice in due course, as to what your Sons have done in the matter.

Allotments are payable once a month, and first payments will be due early next month.

I have the honour to be,
Madam,
Your Obedient Servant,

CAPT. & PAYMASTER.

MRS CATHERINE GREENE

BELL ISLAND.

MADAM,-

Replying to your enquiry of the 12th inst, asking us to advise you why it is that your Sons allotment was only paid you from the 8th to 31st of January.

Might say that this was done in order to square off our Regimental months, and make our payments here agree with those paid on the other side. From now on, ~~our~~ payments will be computed from the 1st to the end of each month, from 1st to 28th February and so on, but will be mailed you on or about the 7th of each month as before.

I have the honour to be,

Madam,

Your Obedient Servant,
