OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

- (a) Any disability claimed or discovered.
- (b) The present condition thereof.

22. State whether the disabilities are:—

- (i) Service during the present war
- (ii) Previous active service
- (iii) Climate in pre-war service
- (iv) Ordinary military service before the war
- (v) Serious negligence or misconduct on the part of the soldier
- Give details:

- (a) Attributable to
- (b) Aggravated by

- 22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24.

NOTE.—This Form is only to be forwarded to the Ministry of Pensions in cases of discharge under para. 302 (xvi. or xvii.), King's Regulations, and in cases of discharge under para. 302 (vi.), King's Regulations, when the soldier has suffered impairment in health since his entry into military service, or in cases of transfer to Class F., or F.
