Dear Major Montgomerie.

I agree that 13 P^{te} R. Friers
sh^d be permitted to return to duty at the
Depot at Ayr, by the first opportunity.

As he paid his own passage to Ayr
(being on furlough), he sh^d technically pay
his return passage also. - (I don't know
if Ayr tickets go others receive any pecuniary
help in this way.

In a general, disbursements of this kind
fall within the province of the Finance Com^{tee}.
If you are prepared to pay return passage
on application, I should be well pleased
myself. But it is a matter outside of

No. 116.

Government House,
St. John's, Nfld.
10 Oct. 1916.

Sir,

I have the honour to state that I have recently received an application on behalf of 13 Pte. R. Grieve for consideration as a candidate for a Commission.

Pte. Grieve has been twice wounded, at Gallipoli and on July 1st, and is now on furlough recovering from a wound through the calf of the left leg. I think that he will be fit for service in about one month. He is, in civil life, a gentleman of considerable position. He tells me that if the men who originally enlisted were still with the 1st Platoon of "A" Co. he would have preferred remaining in the ranks but that, with younger soldiers taking their places, he would prefer to be considered a candidate for Commissioned rank.

He has a defect in speech- a pronounced stutter- but I think that he can convey the ordinary words of command; and he is accustomed to handling men and knows the ways of Newfoundlanders.

In civil life, he has been addicted to drink; but I have his assurances that, on active service, he has always been sober and that his conduct sheet is free from crime.

I should myself accept his assurance that, as an officer, he would always be sober. But, no doubt, in weighing his merits as a candidate for a Commission, the Officer Commanding would examine his record in connection with this particular defect. Please

I have the honour to be,
Sir,
Your obedient servant,

W. Davidson
Governor.

- (e) Avoid dubiety—"perhaps" "possibly" "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
