PLEASE RETURN ORIGINAL AND RETAIN DUPLICATE.

Form K.27 and L.439 enclosed in your communication numbered as above.

Please note that this soldier made an allotment-form K.748 and L.782, payable from March 27th.1915 to the Bank of Montreal at 60¢ per day. We have been paying at this rate from the date mentioned.

I presume you have received a copy of the allotment form. If you have not, kindly advise me whether you will adjust the matter, or leave it in my hands to make, <sup>reduction</sup> under the new allotment to cover amounts paid by us from March 27th. to May 15th. the date of the new allotment.

It would appear that the original allotment, Form K.748, was not acted upon, and another was made per K.27 and stopped in Pay Book from 15/5/15. Meanwhile you paid out on the former.

To refer to the Regiment to ascertain whether the Allottee wishes to make up arrears out of current pay, would entail delay - judging by custom- the simplest plan would therefore appear to be, for you to adjust your end, and deduct \$29.40 from future payments to the Bank of Montreal.

Yours truly,

Sergeant R. Grimes,  
Fort Townshend,

Dear Sir:-

I have had the opportunity of placing your claim for extra pay in connection with Orderly Room work, before the Prime Minister, to whom it was explained that under existing regulations one rate of pay and allowances applied for Orderly Room Sergeants, whereas regulations authorised different rates for staff of Militia Hqrs., of the Pay and Record Office, London and of 3rd Echelon. I am instructed to inform you that at the present time the Government regrets that it is unable to authorise new regulations governing pay or allowances.

Yours faithfully,

Dear Sir:-

I am in receipt of your letter of Jan. 15th in further reference of scale of pay for Orderly Room staff clerks.

Of course it was understood that the scale of pay was authorized by the Government some few years ago, and, as has already been stated, was based on the Canadian scale. I will of course put your claim before the Claims Committee, but I am afraid that they can only reiterate my statement in this connection.

Yours faithfully,

Dear Sir, -

With reference to my letter of the 6th Inst. and your reply thereto. It seems rather extraordinary that the regulations of The Royal Newfoundland Regiment should put the clerks employed in the various departments under a different scale of pay. They appear to give a preference of a higher rate of pay to all employed as clerks in the different branches and makes an exception to the Bn. Orderly Room Staff who have done practically the same work.

I would be glad if you would put my claim before the Claims Committee for consideration, and oblige.

Yours respectfully,

Dear Sir:-

In reply to your letter of Jan. 6th, I would state that men employed with Bn. Orderly Room Staff, were in receipt of pay in accordance with Regimental scale. Those employed at Hqrs. St. John's, at the London Office and at the Base 3rd Echelon, were considered under different scale. Canadian Routine Order No. 1732 which covers this matter, was adopted by Military Forces, Newfoundland, and is the authority for pay referred to.
