APRIL 17th 1920.

Mr. John Guy,
B u r g e o.

Dear Sir:

I beg to acknowledge receipt of your letter of April 4th, covering Cemetery Register Form of your deceased son, #1475 Cpl. C.C. Guy.

With regard to your enquiries re the Row, plot, etc., I may say that this matter will be looked after by the Imperial War Graves Commission when the Cemetery in question is completed. If the efforts of the Commission prove unsuccessful in locating the bodies of the "Missing" men, there will be a Mural Tablet erected to their Memory. As yet, I do not know whether there ^{will} be a Personal Inscription allowed on this Tablet, but in case ^{fill} there should be I would be glad if you will in some suitable Inscription or Text, bearing in mind that the length of the Inscription is limited to sixty six letters, less the number of spaces between the words.

For your information I am enclosing herewith a photographed sketch of the way the Cemetery is to be erected. You will notice the Stone of Sacrifice and the Cross of Victory, - also the Mausoleums or Chapels in which will be kept a Register of all the graves in the Cemetery. You may retain this Photograph, but I should be glad if you would return the Form as soon as you have it filled in and signed.

Yours faithfully,

Lieut. Colonel,
Chief Staff Officer.

Burges

April 4/20th

To W. F. Rendel
Lieut. Colonel
Chief Staff Officer

Dear Sir

I received

your letter referring to the omitting to fill
out space in cemetery registers
form. Well Sir if you had looked a little
closer at the space that was filled out
you surely would have seen the reason
why it was omitted. In the first five
questions on the register, you will find
the answer showing there is no Index
number of cemetery, no cemetery, no plot
no Row, no Grave and yet you send
it back for me to fill this space if I desire
to have an inscription engraved on the
Headstone now in the name of common
sense how are you going to erect a stone
to a Grave where there is neither one
no knowledge of one as you can easily
see by looking at the registers.
My Boy was reported missing and

has never been reported other wise
neither has there been ^{anything} seen or heard
of him since and now it is altogether
too late to expect any report and yet
you want his Index number of cemetery
and his cemetery and the number of his plot
also the number of his Row and his Grave
number which I can mark now if you
had looked a little farther down the list
of questions to the one marked the nature
of death you would find the answer to
that is Presumed dead Now Sir surely
you can see by this the reason that space
wasnt filled in. It was simply because
you couldnt put up a stone to a Grave
until you know where the Grave is and
as I have already said no knowledge of one
now when you can prove beyond the
shadow of a doubt that he was ever
buried and where and when and all
the other you have asked already
then send along the register and I
will fill in space. But until
then leave things as they are for I have

no doubt that he will sleep just as
sound as it is with the rest of his
hero comrades around him as he
would with Stone put up perhaps
within a mile of where he fell and
perhaps farther. So when you have the
information to hand that I ask for I
will tell you what my wishes are

I am yours Respectfully
John Guy

23rd November, 1916.

Dear Sir,

For some time past the Imperial Government have been making enquiries in relation to those men of the First Newfoundland Regiment who have been reported missing since the action of the 1st July. I very much regret to state, however, that from the correspondence which has taken place, a copy of which I enclose, it is evident that none of them are Prisoners of War in Germany, and the authorities are, therefore, reluctantly forced to the conclusion that all these gallant men, whose names are given in the enclosed list, and one of whom was very dear to you, were killed in that fateful action on the 1st of July.

I desire to express to you on behalf of the Government, as well as for myself, the sincerest sympathy in this time of sorrow. We feel the loss of our loved ones, but it will, no doubt, be some consolation to you to think that he, for whom you now mourn, willingly answered the call of King and Country, did his part nobly, and fell, facing the foe, in defence of the principles of Righteousness, Truth and Liberty. Though he has laid down the earthly weapons of warfare, he now wears the Soldier's Crown of Victory, and his name will be inscribed upon the Glorious Roll of Honor, and be held in fragrant memory by all his fellow-countrymen. When the victory is won, and Peace again reigns upon the earth, it will be a comforting thought to you that in this glorious achievement he bore no small part.

I trust that you may have the Grace and consolation of the Great Father of us all at this time.

With sincere sympathy,

Believe me to be,

Your obedient servant,

Colonial Secretary.

Dear Sir

On July the first 1916 my son
corporal Chester E Guy No 1475
of B Company 1st Wfld Regiment
was reported missing after that
fateful drive in which the Wfld Regiment
received such a cutting w/o

I waited with the keenest anxiety
until two months ago when the officials
of the Wfld Government informed me
that ~~all~~ the missing of that day were then
officially given up as dead

Now I presume he had some
money due him at your office in England
as I understand Soldiers do not get
much money while at the front or in the
Trenches. Now if there was anything
due him I would like to know the
amount and just what is required
of me in order to get it as I presume

I am excited to it being his father
Hoping you will receive this and
that you will let me know the facts
as I would like to know about it
as one of his last letters stated that
he thought he had quite a bit of money
saved up by you but alas he will
never come to claim it in person
So I am asking for information
concerning it

Trusting it will receive your
prompt attention

I am yours Respectfully
