Dear Sir

Bearers - Pt. Patti Halloran - will
have to get all his upper teeth extracted.
After couple week I could make him
set which I feel would be satisfactory
for masticating purposes. If this
meets with your approval it would
be alright to let him go to drill

Yours,
C. C.

Jno. A. Burke

I beg leave to state I wrote to you about a month ago concerning my Separation allowance, and also asking for the return of my marriage certificate but I don't think you could have received my letter as I have had no reply. So Dear Sir, I once again take the liberty of writing again with regards to same. I gave in my papers also Marriage certificate all duly and properly fill'd in, for to get the Separation allowance in November last, and I have been married now 11 months 29/4/18, and I have only received one month's Separation allowance and that was last week and that came with the money that my Husband allows me. Since I have been married now Dear Sir, I ask you as a Gentleman, if you will kindly help me to get my Rights. For I am in very great need of the money, and I expect shortly to become a mother and also I am going with my Husband very shortly to Newfoundland, also I wish to pay my debts. I should never have had any had my allowance been sent to before this. I have now been trying for this money ever since it has been in force I can't understand why I have not

June 26, 1917.

Dear Madam,

I am in receipt of your letter of the 21st inst., and note that parcels which have been sent by you to your son, No. 2361 Private Patrick Halleran, have not reached him. I may say that many similar complaints are received at this office and upon investigation it is usually found that the failure of parcels to reach their destination are due to many causes. For instance, they may either be improperly addressed or the packing may not be sufficient to stand the journey, or, there is the possibility of the sinking of the steamer conveying them. You do not say how the various parcels were addressed, but it is usually found that those addressed care of the Newfoundland Pay and Record Office, 58 Victoria St., London, S.W., have the best chance of reaching their destination.

The parcel to which you refer as being sent to us for transmission, has come to hand, and I have caused it to be carefully packed and addressed to your son care of the Pay and Record Office, and have no doubt that it will reach him safely.

Yours faithfully,

Colonial Secretary.

Dear Sir:

I purpose taking up the occupation of fishing this summer, but am not in a position to purchase my outfit, and this is for the purpose of asking if you could advance my next month's gratuity allowance at once. This would enable me to fit myself out independently, and as this amount is due within three weeks, I thought you might be able to see your way clear to give it at once.

Yours truly,
