OPINION OF THE MEDICAL BOARD.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

Give details:

*Yes*

*No*

22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

*G.S.W. leg.  
of service conditions*

23. Is the disability in a final stationary condition? If not

(a) How long is the present degree of disability likely to last?

(b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures).

Referring to the enclosed replies to "Application for Overseas Transport" I have not filled in a reply to No 7 as my husband's permanent address is meantime uncertain. Whether the destination be Montreal, Canada, or a Newfoundland port, my husband will, on receipt of a telegram on my arrival, make adequate arrangements for my final destination. If, when advising me where and when to join the Transport, you could give me the name of the Port of Landing, I would cable my husband to meet me on arrival there.
