Dear Madam,

I am in receipt of your letter of Oct. 23rd. with respect to your adopted son, No. 3018, Private Thomas Hann, and I note that his father, Mr. John H. I can quite understand your anxiety with regard to his condition, and I shall wire the Pay and Record Office, London, in an endeavour to obtain the latest news concerning him, and upon receipt of a reply shall telegraph the information to you. As this telegram will be sent at the expense of the Government, I return herewith the one dollar which you enclosed with your letter.

I may say that King George Hospital, where Private Hann is now undergoing treatment for his wounds, is situated in London, England, where you can rest assured the very best possible attention of doctors and nurses will be given him. I trust that his recovery will be speedy and complete.

I could not blame him. He was  
a good boy always, I hoped +  
prayed God would bring him  
safe back to me. Now he is

\*Loss of teeth on or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to other cause.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

(i.) Service during the present war; *yes*

(ii.) Climate; *✓*

(iii.) Ordinary military service; *no*
