* Here insert which Expeditionary Force.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.

MEMORANDUM

Chief Paymaster and Officer in Charge, Records
Newfoundland Contingent,
58, Victoria Street,
London E.W.1

May 26th 1919

Sir:

Since I have been employed in the
Office, I am not getting my health very well, and I
am in aigp here in London, which does not agree
with me. I have got a good opportunity of getting
degs, with my Aunt, in the Country, at "Haarsted"
in Kent, which is about 18 miles from here
but I could not arrive at work until 9.45.
as that is the first Train to London. I could make
up the difference in the time, as I am working
till nearly 7 pm every evening, in the despatch
Department. If you could grant me the privilege
to arrive at work every morning at 9-45, I
would be most grateful to you.

I remain
Your Obedient Servant.

- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
