With reference your letter 121/H/1741 (M.S.K.) 22/2/18 (1891): I have the honour to state that the point you raise would appear to have originated from the fact that a copy of the Proceedings of a Medical Board held in Newfoundland on this Officer was sent to the War Office for information.

Having regard to the arrangement that Officers invalidated from this Country to Newfoundland are dealt with by the Minister of Militia there who decides as to whether such Officers should be returned to this Country or otherwise, it would appear that before anything is done with regard to gazetting Lieut. Herder, further information should be awaited from Newfoundland.

This Officer is now attached for temporary duty with the Department of Militia and has been recently promoted to Lieutenant.

It is further asked that the subject matter of the second paragraph of your letter may be reconsidered.

Dear Ralph,

Many thanks for your letter
5/6/18. There appears to have been
a misunderstanding about your uniform.
Hacker ~~had~~ had the cloth cut, but James
apparently did not leave very implicit
instructions, because Hacker understood
that he (James) would call back to
tell him what he wanted done. As
Hacker did not hear anything further,
and having ascertained that James had
returned to Newfoundland, he did not
proceed with the uniform. However,
he is now putting the finishing touches
to it and I will try and get it off
with the a draft as early as possible.

I did not understand your telegram
until I got your letter, which would
explain the message I sent through
the Department of Militia.

Mr. Bennett is at present in

are having a busy time of it, no
