Sir:-

I am directed to acknowledge receipt of your letter of March 30th, concerning #3735 Pte Patrick Hinchey. When this soldier attested he gave as his next of kin, his sister Mary Walsh, of Bell Island, consequently the notice of his Casualty was sent to her. It is noted that you state that this man was adopted by you, and a note has been made that in future reports should be sent to you, as well as to his sister. The Casualty to which you refer as having appeared in the press was:- Gunshot Wound, right arm. Pte Hinchey was then stated to be in the 2nd Australian General Hospital, Boulogne.

Yours faithfully,

Major,
Chief Staff Officer.

Hon. J. R. Bennett;
Minister of Militia;
St. John's.

Dear Sir;

I saw in the Daily papers a while ago that P. C. Patrick Hinchey Bell Island was wounded his No. being 3735, As I have a boy whom I adopted of the same name and No. I would like to hear the rights of it. There must be a mistake somewhere. The boy whom I have adopted worked on Bell Island last winter that may be the reason why he is reported as being a native of Bell Island. I am very anxious about him as I did not hear from him since he went across to France there after Xmas, this present year, I received his allotment alright but its strange to say that I had not a word from him or, about him.

R.C.

he was born at Northern Bay
and resided here all his life until
a few months before he enlisted
last May 17 when he worked
on Bell Island. Please kindly
oblige us and let me know
where he is at present and
the nature of his wounds.

I am very uneasy and
anxious to hear the particulars
about him.

I remain:—

Dear Sir;

Yours sincerely
John J. Hogan

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

(i.) Service during the present war ;

(ii.) Climate ;

(iii.) Ordinary military service ;

(iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or

(v.) Whether it is constitutional or hereditary.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

yes

✓

no.

✓

cf. S.W.

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

no

23. Is the disability permanent?

yes

24. If not permanent, how soon do the Board recommend re-examination?

✓

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

100

26. If an operation was advised and declined, was the refusal unreasonable?

no ✓

27. Do the Board recommend—

(a) Discharge as permanently unfit, or

(b) Change to England?

yes.

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

(a) Sanatorium;

(b) Hospital;

(c) Convalescent home;

(d) Asylum; or

(e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.
