Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Dear Sir:-

Your letter of January 28 was received after the regulations governing Post Discharge Pay were superseded by those concerning War Service Gratuity, and reply has been delayed on account of the time required to make the necessary calculations of the War Service Gratuity.

Payments of this Gratuity will commence on March 1st, 1919, and will be made in monthly installments until such time as the amount due has been paid.

The amount due is calculated on the basis of a soldier's services, and any amount paid as bonus at the time of Discharge, and Post Discharge Pay if already paid, will be deducted from the total amount of the Gratuity.

It is necessary before payment is made, that the enclosed Statutory Declaration be completed and returned to me.

As soon as it is received the first payment on account of the War Service Gratuity will be forwarded.

Yours truly,

Captain,

I beg to advise that it is contrary to the King's Regulations to issue duplicate discharge certificates, but I enclose a certificate of service, which should meet all your requirements.

Yours truly,
