## Descriptive Return of a Soldier Discharged on Account of Disability

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Above noted man was before me this afternoon to be re-attested for duties he is now performing. He absolutely refuses to be re-attested and in my opinion does not give any good reason for his attitude. I explained that his status in the Regiment would not be altered in any way and that if he wished to be relieved of his duties to take up other work, it would be arranged without delay upon his applying for his discharge, which is carried out by O.C. Depot after reference to Standing Medical Board.

He gives me the impression of a man wanting to avail of all the advantages of his present job without being under the discipline of a soldier, which is not altogether a desirable feature in a man in charge of the Battalion Cooks.
