Opinion of the Medical Board.

NOTE.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (1) caused or aggravated by service in the present war, (2) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic diseases in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war; *yes.*
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *Caused by shell fire*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

*Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—  
(a) Discharge as permanently unfit, or *yes.*  
(b) ~~Change to England?~~

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended. *no*

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended?

30. Does the man require the constant attendance of another person?

1:1929 Lieut. Hiscock W. was

in charge of the Lewis Gun of my platoon. At about 5 AM. on the morning of Sept 26/17, during a very heavy bombardment, a shell blew in his sector of the trench, burying him with most of his section. When we got him out he had apparently lost his reason and became violent. It took four men to hold him & tie him to the stretcher. I personally helped to do it.

REPATRIATION DRAFT NO. 57.

With reference to your letter (undated) No. 1672, the following reply was sent to your telegram of the 14/2/18: L/Cpl. Hiscock, 28, Elmbank Street, Ayr. "Sailing boat postponed await further instructions SYNOPTICAL."

It is not understood why you did not get this telegram before 8 o'clock p.m. as it was sent off in the afternoon. Neither is it understood why the Depot did not wire you that the sailing was postponed, as this information was made known to them on 13/2/18.

In future please disregard any instructions except those issued by this Office. Lieut. Col. Obed. Smith will instruct your wife as to her sailing.

A Special effort has been made by me for you both to travel on the same ship, and it has been very difficult to arrange under the present conditions.

As matters stand now you will embark on Tuesday 26/2/18, and you will be informed by this Office where to report and when.

It is understood your wife has her passport in order.

As to your money: Separation Allowance (£3:16:0) and Allotment (£4:12:1) were forwarded to Scotland on 14/2/18. It is hoped this has since reached you.

In the meantime please inform this Office immediately if and when you change your address. You are advised to remain in Liverpool now you are there.
