To prevent personation the Medical Officer is requested to identify the soldier before examination as to state of health. This can usually be done by comparison of signature, personal description or marks on body. The Minister of Pensions requires a Medical Report on the present state of health of the Pensioner above named, to assist him in determining on his claim to a further grant of Pension. The paper when completed, together with the Discharge Documents, to be returned in the enclosed envelope, to—

Dear Sir

Re the case of L. D. Hoddinott
late Newfoundland Regt. I would inform
you that there is a period that this man
has not received pension for namely the period
from June to October 1922. He applied for
board about June but it was October before
he was boarded, when he was assessed for
pension, so I think it is only fair to say
that if the disability was found by the board
in October it was there when he applied in
June, under the regulations here if a man
is successful in appeal it is dated back
to the day he made the appeal and paid
accordingly.

Dear Sir,

I am directed to acknowledge receipt of your letter of the 17th instant and in reply to inform you that you are entitled to pension allowances in respect of all your children. I don't know how you gathered the erroneous impression that you are only entitled to pension for your first two children only and I would advise you that your letter under reference is the first intimation I have received of your having three children. All the certificates which you completed and sent to this Office (at least since I took charge of pensions in November, 1928) give details of two children only, and you have been paid pension accordingly.

I am now enclosing herewith a blank form of certificate which kindly complete, giving full particulars of your three children, besides filling in the remaining details and return to me at your earliest convenience. I shall also require the Birth Certificate in respect of your third child Kenneth, and if you will send this along to me, I shall forward it to the Board of Pension Commissioners in Newfoundland, requesting that the necessary authority may be given for the payment to you of additional allowances in this connection, and on receipt of a reply you will be advised accordingly.

I have the honour to enclose herewith Birth Certificate in respect of the third child of the above named pensioner, for whom no pension allowances are at present being paid, as follows:-

This case is similar to that of 1512, J. Kennell (see my letter dated 9.2.31.) and I have replied to Mr. Hodinott's letter under reference in the same terms as those used in my reply to Mr. Kennell.

I am now to ask that you will be good enough to let me have your instructions regarding the payment of additional allowances to this pensioner in respect of his third child, and I shall be glad if, at the same time, you will kindly return the enclosed Birth Certificate, for transmission to above named pensioner.
